EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Warren S. Edmonds on February 2, 2005.

The application has been amended as follows:

- 1) In the second line of claims 6 and 11-13: The phrase --at least-- has been inserted before the term "two".
- 2) In the second line of claim 18: The term "one" has been changed to --two--, and the term "pillow" has been changed to --pillows--.
- 2. The following is an examiner's statement of reasons for allowance: In the prior Office action filed November 2, 2004, dependent claim 4 was indicated as containing allowable subject matter whereas claims 19 and 20 were allowed. Applicants' amendment filed January 14, 2005 rewrites now-canceled claim 4 into independent form as newly-added claim 21; furthermore, newly-added independent claims 22 and 23 also contain the subject matter of now-canceled claim 4. Since claims 1-5, 8-10, 15 and 17 have been cancelled, the remaining dependent claims 6, 7, 11-14, 16 and 18 are dependent upon claims 22 and 23, and an updated search of the prior
